

WARNING

Keep out of the reach of children. Read the label before use.

D-BLOCK®

Contains Diphacinone 0.05g/kg in the form of a bait.

FOR THE CONTROL OF RATS

DIRECTIONS FOR USE: Use in bait stations only. Locate bait in dry location near runways and nesting sites away from children, pets and domestic animals. Maintain an uninterrupted supply of fresh bait for at least 10 days or longer if signs of rat activity continue.

BY LAW: This product must only be used as specified on the label.

WARNING: May cause damage to blood and hemopoietic systems when ingested. Toxic to terrestrial vertebrates. Harmful to aquatic life.

PRECAUTIONS: Avoid skin contact, wash hands and exposed skin before meals and after work. Do not eat, drink or smoke when using this product. Prevent access from baits by children, pets or domestic animals. Do not lay baits where food or feed could be contaminated. Avoid contamination of any water supply with baits or empty containers. Bury any dead rats found. Bait containers and uneaten bait should be either buried in a suitable landfill or burnt if circumstances, especially wind direction, permit.

STORAGE: Store in a cool place where temperature does not exceed 25°C. Store in a tightly closed container. Store locked up and away from foodstuffs, children and domestic animals.

FIRST AID: If exposed or concerned: Call the National Poisons Centre
Tel: 0800 POISON (0800 764 766)
